

2018 The 2nd International Conference on Business and Information Management (ICBIM 2018) will be held in Barcelona, Spain during July 23-25, 2018. The Conference purpose is to provide participants with an opportunity to present new systems, methods, techniques and tools for information management and their applications in business processes and decision making. The focus will be on new systems, methods, techniques and tools for re-designing decision making processes, business processes and structures.

Publication

All the papers accepted by ICBIM 2018 will be published in International Conference Proceeding, which will be indexed by EI Compendex and Scopus.
